

## GENERAL AG APPLICATIONS

Built to provide an excellent combination of traction and comfort with minimal soil disturbance

## SPECIALTY APPLICATIONS

Available for selected models/series

### HIGH TRACTION

Optimized for deep penetration in hard soils

Large tread pitch and narrow tip width treadbar

- Increases soil penetration
- Excellent mud cleanout in muddy conditions

### HIGH ROADING

Optimized tread life, ride quality and control for roading operation or high pulling on hard ground

Diagonal tread pattern and chevron tapered wide tip width treadbar

- Added tread volume
- Increases carcass stiffness
- Provides up to 10% more surface area

### LOW GROUND DISTURBANCE

Optimized for maximum weight distribution for minimal soil disturbance or berming

Shallow and wide tip width treadbar

- Low profile tight pitch
- Provides 40% more treadbar than standard tracks
- Contact patch is over 100% larger than an equivalent standard track

### TREAD BAR

Provides perfect balance between traction, cleanout and minimized ground disturbance  
Optimized for even tread wear and reduced vibration generating an unmatched ride quality

- Chevron tapered and diagonal treadbar design

### TRACKSHIELD™ CARCASS

Increases the life of your track  
Provides a wear and puncture-resistant carcass

AVAILABLE ON

**4500** + 20% improvement (over 3500)

### INDUSTRY-LEADING MAIN CABLE

Resists high tensions

- The biggest and strongest cables on the market

### GUIDE LUGS

Maximizes guiding surface

- Optimized lug geometry

AVAILABLE ON

**4500** Increases side load performance  
Operating in side hill application greatly increases lug life

### EXCLUSIVE ENDLESS SINGLE CURE TECHNOLOGY

Ensures uniform tension throughout the track

- Consistent cable position to minimize internal stress
- Specific rubber positioned consistently at targeted areas
- No carcass distortion

### RUBBER COMPOUNDS

Improves resistance to cutting, gouging and tearing  
Slows rubber wearing, aging and cracking

- Combination of up to 6 specific compounds (treads, carcass, guide lugs)
